

**MY LEADERSHIP STYLE**

TASK ORIENTED LEADERSHIP	RELATIONSHIP ORIENTED LEADERSHIP
<b>80.00%</b>	<b>20.00%</b>

Task oriented leaders, driven by task, goals and targets.

Relationship oriented leaders, driven by relationship, people and emotions.

Strict leaders, highly focused on goals and difficult to divert them.

Soft leaders, highly focused on people and can be diverted.

May be ruthless and insensitive to others feelings while performing a task.

They are kind hearted and consider other's feeling while performing a task.

They follow one way communication, believe in delegation style of working.

They follow two way communication, believe in participating style of working.
