# Common challenges faced by current generations

- Playing Video games / smart Phones/ ipads
- Not listening
- Stubborn
- Junk food
- Watching TV
- Playing all time only inside
- Spending Less time for study
- Leaving things at Half way
- Not knowing Science / Arts / Engineering
- Commerce /medicine /sport .....?
- What to choose .....?
- Not giving Respect
- Cribbing for expensive things

# Think..... Think ..... Think & ..

Every child is unique,  
but our method to  
handle them is  
common & usual.

Every child has an  
Inborn talent but child  
& parents fail to  
identify it.

Parents wants his child  
to be successful but ???

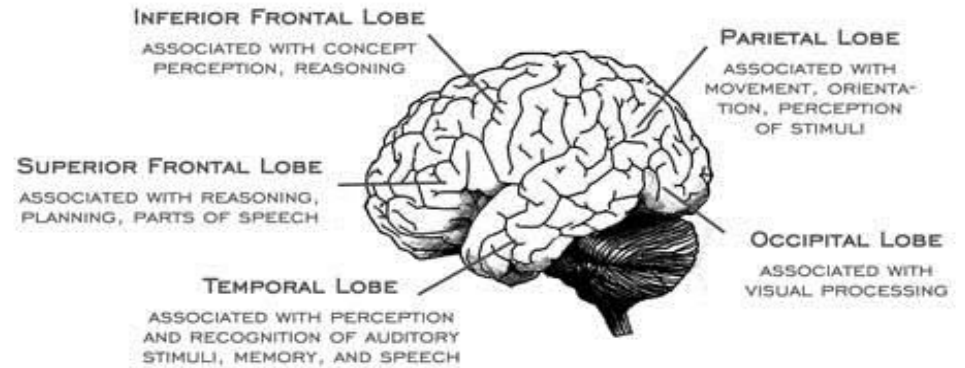

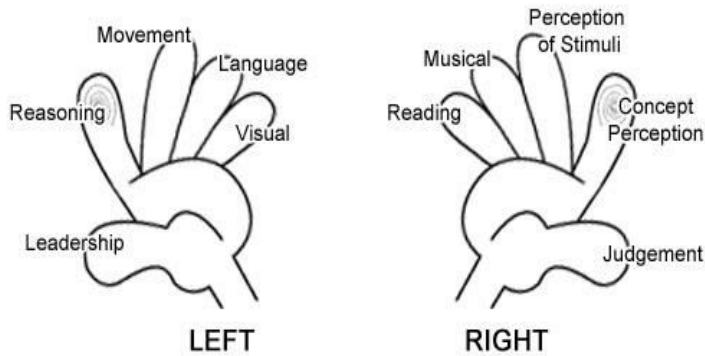

Needs to improve  
Parents & Children  
Relationship

Discover your child's  
Strengths, Weaknesses  
& Multiple Intelligence

Every child has a  
Different learning style  
but our teaching style  
is same.

## Fingerprints & Corresponding Functions

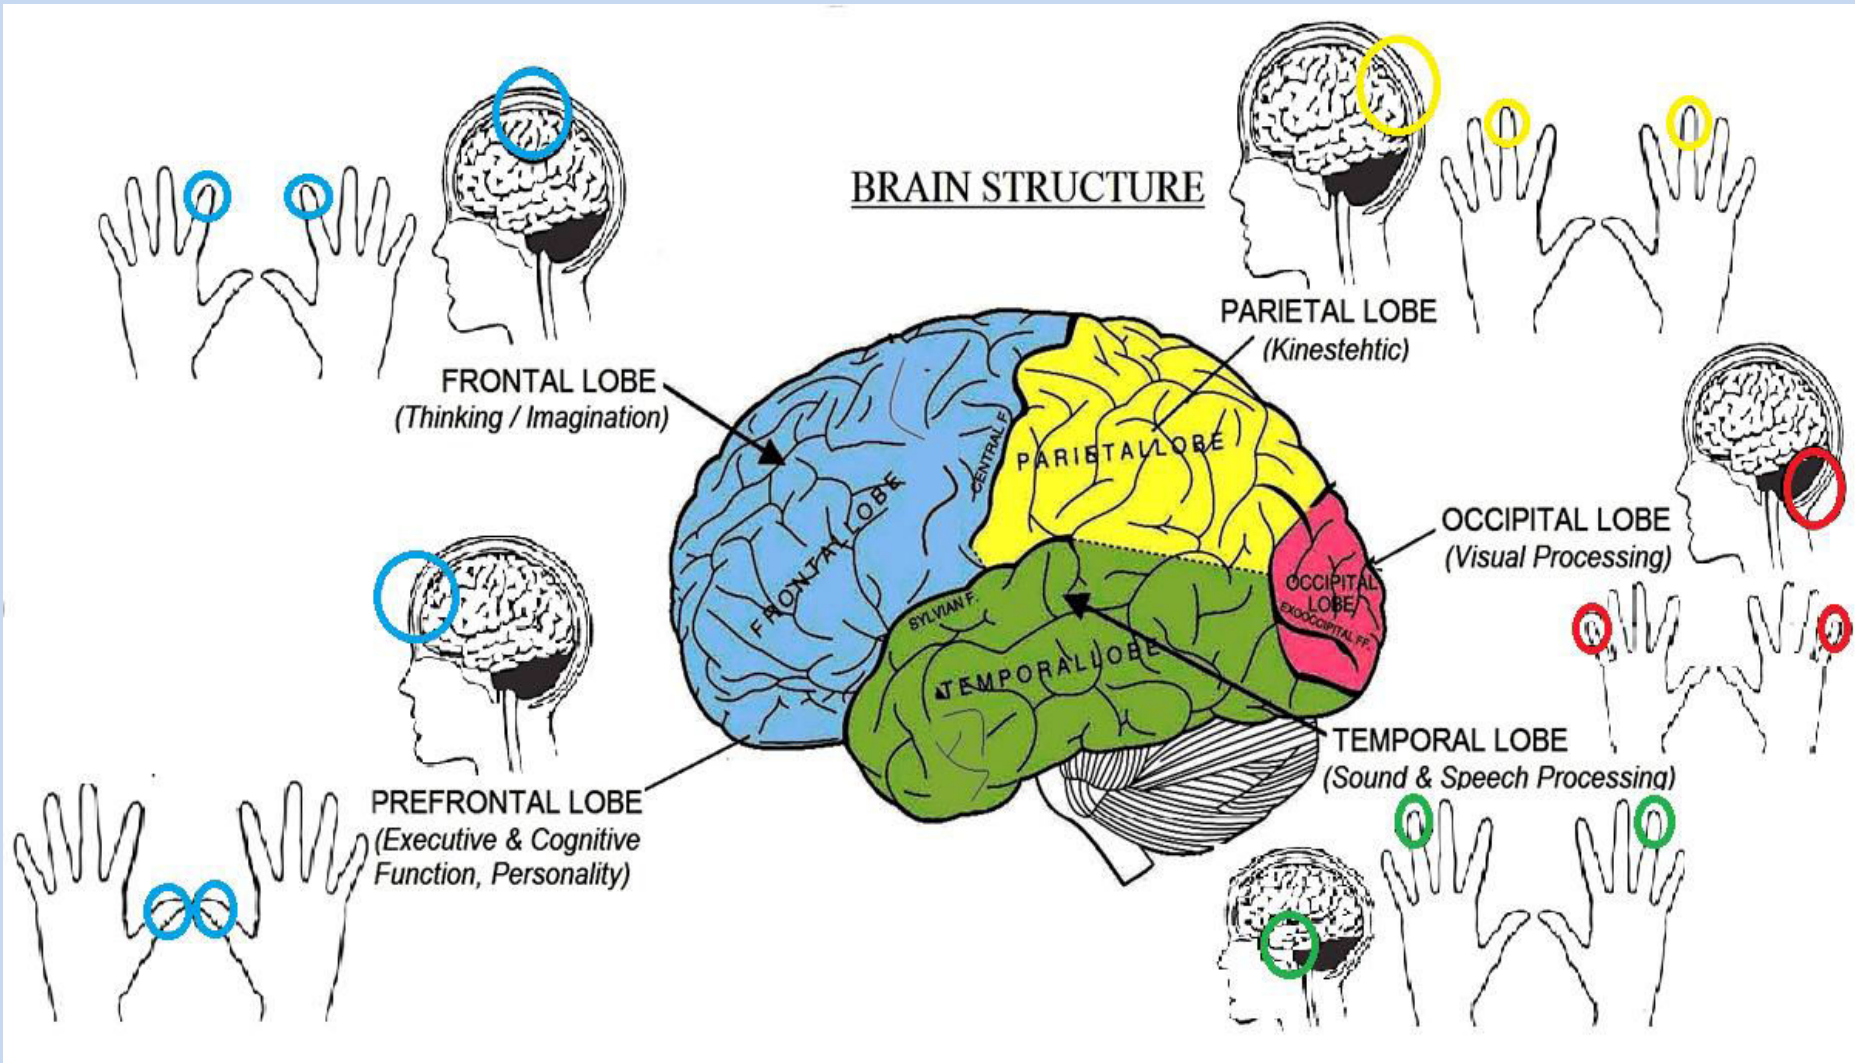

**(Dermatoglyphics Multiple intelligence Test / Analysis)**

**A Revolutionary product Now in India** avose Introduces

**“BRAIN POWER” - “Know your potential & Personality”**
